

Recruitment Research

Seriously exclusive competitive and recruitment research

Our approach to recruitment research is unconventional, but here's the thing: **we gather recruitment data that other firms can't**. For nearly 20 years, clients have worked with us because of the value we provide, not because a constricting contract says they have to.

Why you'll love our research

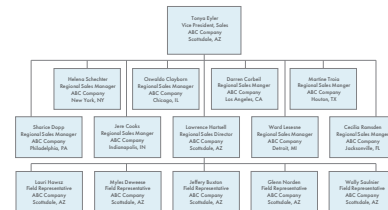

Recruitment Research Example

Company	First Name	Last Name	Title	Phone	City	State	Report To	Email

Notes: In this section we will provide any additional intelligence we encounter when speaking with individuals from the regions we are calling into.

Organizational Chart Example

ABC Company

Complete organization charts

First and last names. Titles. Reporting structure.
Direct-dial phone numbers. Email addresses.
It's all yours.

Competitive intelligence

Diversity status. Compensation and benefits.
Growth and restructuring. Recruiting tactics.
You get all that, too.

You'll save your talent team loads of time

Your in-house talent acquisition team will have
a mountain of information to help jumpstart
their outreach or begin building a strong pipeline.

We're dedicated to accuracy

Research and competitive intelligence are verified
over the phone that-day for guaranteed accuracy.

Hourly rates

No long-term commitments. Just flexible hourly
rates that won't drain the bank.

The research is yours to keep

You own the data once it's all wrapped up.
Always and forever.
