

# Are You Recruiting for Diversity?

You don't have to keep spinning your wheels on LinkedIn...learn how you can find the candidates you're looking for with Qualigence recruitment research!

## Candidate Names, Contact Info & Bios Tailored to Your Needs

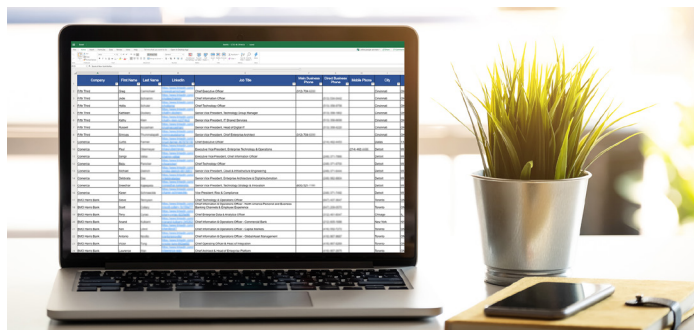

You don't just need recruiting data – you need data that's relevant to your business, industry, and diversity initiative!

Our research team calls into target companies to find candidate names and data that helps you recruit more efficiently.

## Uncover the Entire Talent Pool – Not Just the Candidates Anyone Can Find Online

Anyone can find candidates on LinkedIn and job boards. You need to engage with the candidates that other recruiters are missing.

Our team allows you to access the entire talent pool, giving you an edge when recruiting for diversity.

## A Track Record of Success

Organizations like yours have used our recruitment research team for over 20 years.

As the largest recruitment research team in the United States, Fortune 500 orgs and local businesses alike trust us to help them find diverse candidates.

Leading Firms Trust Qualigence to Surface Diverse Candidates
