

Are You Looking to Add Diversity to Your Organization?

Call us today to learn more about how you can make your next D&I initiative a success!

Uncover the Diverse Talent You Won't Find on LinkedIn

Anyone can find candidates on LinkedIn. But if you're serious about adding diversity to your team, you need to access the entire talent pool. Our proven research team delivers candidate names, bios, and contact information that meets your diversity requirements for race, gender, etc.

You Can Use Data to Avoid Bias and Make Better Hires

You can build stronger, more diverse teams that will thrive on your team for the long-haul. Use a cutting-edge talent optimization platform to make the right hires for the right reasons!

Develop a D&I Strategy That Supports Your Business Goals

Get greater buy-in across your team and drive business results with a targeted diversity strategy. Our recruiting team will help you develop and refine a D&I strategy that directly supports your business goals.

Leading Firms Trust Qualigence to Surface Diverse Candidates
