## QUALIGENCE PROJECT OUTSOURCING

## Project-Based Recruiting, Sourcing and Research

### Recruiting

Make quality hires that power your success

### Sourcing

Streamline your recruiting process with a list of qualified, interested candidates

### Research

Uncover the data you need on candidates and competitors

### High-Volume Recruiting

Our flexible solutions make it easy to hire at scale

Here at Qualigence, we're known for our no BS hourly business model. However, we also offer recruiting, sourcing and recruitment research on a project basis.

- Get the benefits of our hourly services at a discounted rate
- Tackle busy periods and big projects with additional help
- No fees or commissions

### Your partners for successful hires

Project outsourcing is a perfect way to augment your team with proven recruiting professionals.

You get exclusive access to members of our team who will be committed to working on your projects full time.

### Qualigence project outsourcing is perfect for:

- High-volume or long-term recruiting projects
- Building a new division
- Expanding your business

Our mission is to transform the industry by putting people at the center of every business and unlocking their best performance.
